ON THE OCCASION OF THE CEELEBRATION BY
RINCONADA MASTERS OF THE 70 BIRTHDAY
OF ALDO da ROSA NOVEMBER 14, 1987

There is a famed man from Brasil
Who of swimming cannot get his fill
Master records he broke
With the most beautiful stroke
He swam all, including uphill

He wanted more strokes
To wow yet more folks
So he extended the fly
For milers to try
Don't laugh; he was not making jokes

The day of the race
There was the scantest of space
To handle the crowds for the mile
Some swimmers used guile
But he, perfect style

And we who wish we could butterfly also
Delighted to see the big win by Aldo
