Landlord's comment: 100 metres from the Louvre this recently renovated apartment has an original parquet floor, fireplace and mouldings with high ceilings (3.60 metres high). Master bedroom has a queen size bed and the second bedroom has two single beds, one of which can be folded under the other, to convert into an office room. The kitchen / dining room area and sitting room form a double reception room 10 metres long with original 3.65 metre high ceilings. Each sleeping area has access to a large well designed bathroom with a large separate shower and bath with Jacob Delafon fittings. The apartment is situated in the building where LOUIS VUITTON have their showrooms and the nearby streets of rue St Honore and rue de l'Arbre Sec have a real Paris ambience with a bakery , wine shop, pharmacy and a selection of bars and bistros and a FRANPRIX supermarket closeby and there is security parking at 30 metres and 200 metres away. The location is ideal as its easy to to walk across the River Seine to ST GERMAIN in approximately 8 minutes. The stairs in the public areas are newly renovated but the staircase does need painting and is not yet in finished condition.
